

Cut your costs to cut it!

In even the most challenging conditions.

INTRODUCING

Road Razor II

Patented tip profile/new carbide grade combination enables optimum road-milling performance — with up to 5X less breakage — no matter how abusive your application!

And, our newly designed retainer greatly improves tool rotation and penetration — particularly in the most severe cuts!

Kennametal will significantly boost your road-planing productivity and profitability!

Let us prove it.
