

MINING

Introducing Kennametal's KCV4 RRWN Tool

**Engineered specifically to
optimize your roof-drilling
productivity and profitability
— no matter how challenging
your operating conditions!**

***Finish a hole with just 1 tool — greatly
reducing tool consumption and inventory!***

- Extra-wide tip, with unique center notch, delivers fast penetration and extended tool life, especially in tough applications!

Kennametal will significantly reduce your mining costs!

Let us prove it.
